New website!

I am pleased to announce that I have a new website for my paper crafting business. Click [here](#) to check it out! I will still have my Stampin' Up! website (for ordering) and my blog, but I will only be posting links on those sites to this new website. It is still a work in progress, so bear with me...I'll get there!

I will post frequently on the site and include:

- Weekly card posts
- Video Tutorials
- Links to creative ideas
- My special/offerings
- Stampin' Up! specials/promotions
- Class/Event calendar
- Newsletter links
- Family babble and nonsense

I'm excited to re-energize my business and hope that I am able to bring you new inspirational thoughts and ideas to your world. You can never have too much inspiration, right??!!

I would love any feedback regarding the site or its content, just drop me an email at www.sweetpea.stamping@gmail.com.
